WE **HAVE**

THE **SOLUTION**

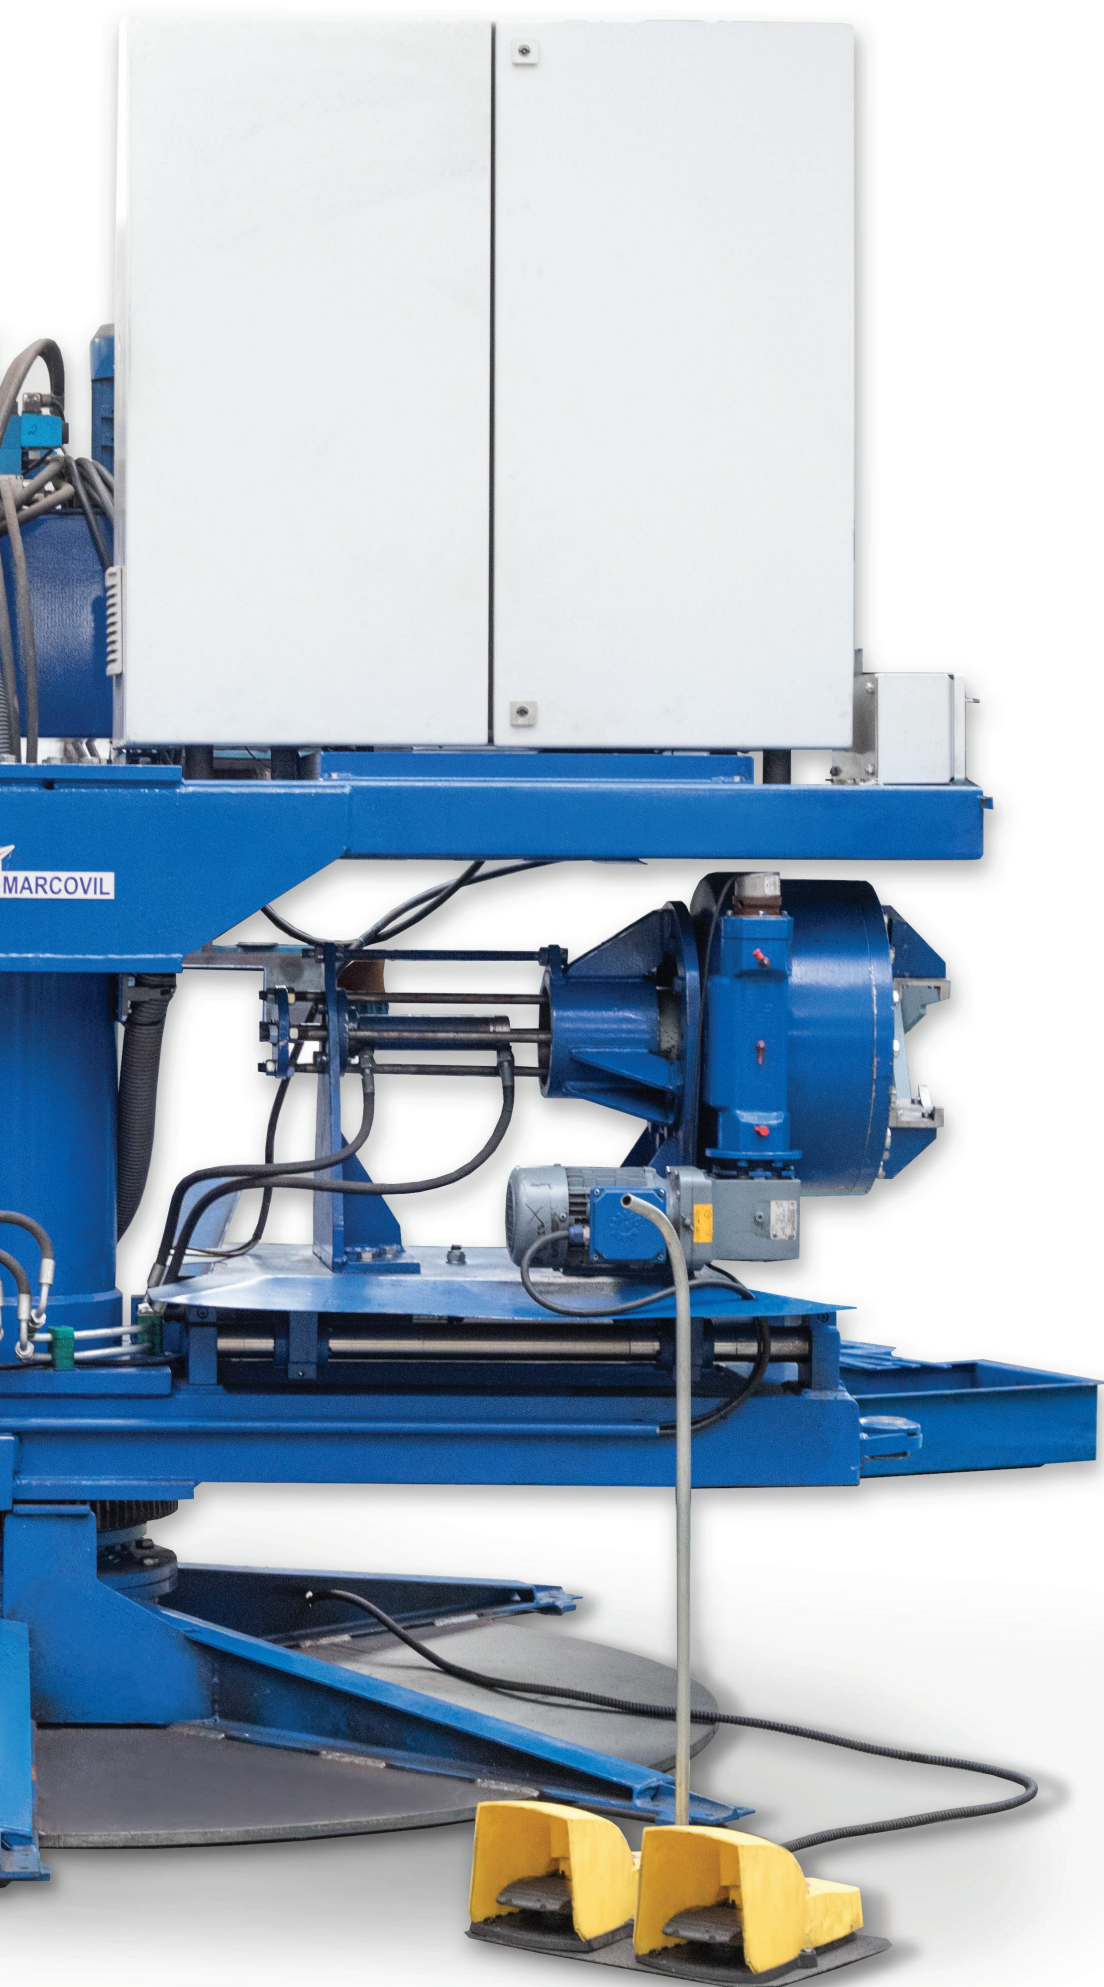

# REFRIGERATOR COMPRESSORS CUTTING MACHINE

## Main **Advantages**

- Release the core
- Process different geometries
- High productivity

# Technical **Features**

<b>Machine</b>	Refrigerator Compressor Cutting Machine
<b>Technology</b>	Disc Cutting
<b>Input</b>	Refrigerator Compressors with Variable Geometry
<b>Production</b>	70 Compressors per hour
<b>Geometry Detector</b>	Included
<b>Variable Speed</b>	Included
<b>PLC Control</b>	Included
<b>Production Software</b>	Included
<b>Installed Power</b>	21 kW

## Complementary **Machines**
